Requirements of the course  
Standards for grading

## Course Objectives:

Creative Crafts is a foundation level art course that explores three-dimensional materials, and emphasizes a wide range of processes, including paper sculpture, weaving, and hand-built ceramics. Projects are designed to develop critical thinking and creative problem solving skills, and encourage independent thought. Students are encouraged to refine and revise their work and reflect on their process. This course fulfills the one-credit graduation requirement for humanities at the high school.
